SKILLS

- **Languages:** Java, JavaScript, C, C++, Python
- **Technologies:** HTML, CSS, Node.js, Express.js, Arduino
- **Databases/Tools:** PostgreSQL, MongoDB, Git, GitHub
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability, Leadership

PROJECTS

IoT-Based Smart Door Lock & Home Automation | [GitHub](#)

Dec 2025 - Jan 2026

- Developed an IoT-based smart door locking system using the ESP32 microcontroller, providing secure and automated access control while integrating smart home functionalities.
- Integrated 2Factor API for OTP-based authentication through automated voice calls.
- Designed a responsive web-based home automation interface using HTML, CSS, and JavaScript, allowing users to remotely monitor and control connected home appliances through an easy-to-use interface.
- Connected the ESP32 with the web interface and deployed the application using GitHub.
- **Tech Stack:** C/C++, ESP32, HTML, CSS, JavaScript, 2Factor API, GitHub, IoT

Amazon Clone | [GitHub](#)

Sep 2025 - Oct 2025

- Developed an Amazon-inspired e-commerce website using HTML and CSS, replicating the core layout, navigation structure, product displays, and visual elements of the original Amazon website.
- Designed and implemented navigation bars, search functionality, product cards, banners, categories, and structured webpage sections to create a realistic and user-friendly e-commerce interface.
- Linked products to their corresponding product pages on Amazon, allowing users to directly access real product information.
- Gained practical experience in HTML, CSS, front-end web development, and UI design through the project.
- **Tech Stack:** HTML, CSS, UI Design, Hyperlinks & Navigation, GitHub

CERTIFICATES

- | | |
|--|---------------------|
| • Introduction To Cyber Security Infosys | Mar 2026 - Mar 2026 |
| • Introduction To Python Salyor University | Feb 2026 - Feb 2026 |
| • Effective Time Management Tech Veda | Oct 2025 - Oct 2025 |

ACHIEVEMENTS

- Solved **50+** DSA problems on online coding platforms, strengthening problem-solving and algorithmic thinking.
- Represented the School of Computer Science and Engineering in Men’s Doubles Badminton and secured **1st position**, demonstrating team collaboration, coordination, discipline, and competitive spirit.

EDUCATION

Lovely Professional University Bachelor of Technology - Computer Science and Engineering; CGPA: 8.67	Phagwara, Punjab Aug 2025 - Present
Army Public School Higher Secondary Education; Percentage: 87	Hisar, Haryana Apr 2024 - Mar 2025
Army Public School Secondary Education; Percentage: 94.2	Hisar, Haryana Apr 2022 - Mar 2023
